

# Prairie Heights Well-Child Policy:

**WE ASK THAT CHILDREN BE KEPT AT HOME WITH ANY OF THE FOLLOWING SYMPTOMS AND/OR ILLNESSES:**

Diarrhea and/or vomiting

Active Chicken Pox

Runny nose with colored discharge

Measles or Mumps

Conjunctivitis (Pink Eye)

Fever

Uncontrolled cough or croup

Questionable rashes

If a child is being treated with antibiotics, he/she should be on the drug for at least 24 hours before coming to Kidventure.

If a child has a continually clear runny nose or rash due to non-contagious allergies, please let us know.

We realize that some symptoms hang on long after the child is no longer contagious. Remember that we want all of our children to remain healthy and happy.
