

SERVE PEOPLE

Attendance Pantry Supply Drive on September 29

The School Attendance Pantry program encourages positive attendance and build relationships with families that typically miss a lot of school by rewarding attendance with the opportunity to “shop” for their family. The pantry is physically located at Eastwood Elementary and serves students across the West Fargo School District.

Bring your donations to Prairie Heights on Sunday 9/29 to restock the pantry and kick off the school year with great incentives for our local families to make school a priority.
